DETAILED ACTION

Status of the Claims

Claims 1-26, 28-47; 49-67 69-73, 75 and 77 have been canceled. Claims 27, 48, 68, 74, 76 and 78 are under Examination. The Examiner has re-numbered the said claims as claims 1-6.

Specification Corrections

Examiner acknowledges Applicant's amendment to the specification overcoming former objections.

<u>Allowance</u>

The following is an examiner's statement of reasons for allowance: In <u>re-numbered</u> claims 1-8, Applicants claim a series of methods for lowering:

- Blood glucose,
- Serum triglycerides and
- Blood pressure

In a subject, by administering to the said subject an effective amount of compound II as identified in the said claims.

No prior art disclosing or suggesting the claimed compounds was found in the prior art.

The closest art relevant to Applicant's instant invention was found in Takahashi et al, JP 63290842 (1988).

Takahashi discloses a method for preparing 2-(substituted phenyl) propionic acid or alkyl ester thereof, useful as pharmaceutical or intermediates thereof, useful as antipyretic, analgesic, and anti-inflammatory, see page 3 in translation, lines 5-18.

Art Unit: 1625

The said alkyl esters are of lower alcohols and the substituted phenoxy derivative such as the corresponding 4-phenoxyphenyl. Takashi, however, does not teach or suggest methods for lowering the blood pressure, glucose or lower serum triglycerides.

CONCLUSION

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

All post-Allowance Correspondence concerning this Application must be mailed to:

BOX ISSUE FEE COMMISIONER FOR PATENTS WASHINGTON, DC 20231

Or you can fax them to the Office of Patent Publications at 703-308-5083, in order to expedite the handling of such correspondence as amendments under 37 CFR 1.312; information disclosure statements, and formal drawings. Sending Post-Allowance papers to Technology Center 1600 will only cause delays in matching papers with the case.

For information concerning status of correspondence sent after receipt of the Notice of Allowance, please contact the Correspondence Branch at (703) 305-8027.
